

North Whidbey Fire and Rescue

Applications for Marine Rescue Program

North Whidbey Fire and Rescue is taking applications for positions in the marine rescue program. Applications will be accepted from the membership only.

Fill out this form and return it to the office. Applications will be screened by chief officers and interviews will be conducted accordingly.

Training will be scheduled during periods other than the regularly scheduled Monday training. Compensation for this training will be single point for non-POC and hourly rate for POC.

At this time, only "Boat Crew" type training is being scheduled. Training and qualification for Coxswain be added when deemed necessary by chief officers.
